Clothing Drive - Old Town Hall

On June 2nd and 3rd, the Historical Society will have a Clothing Drive. While doing your Spring Cleaning, set aside the clothes, shoes, coats, accessories and any other textiles you no longer want. Bring your donations in trash bags, toss them in the trailer, and we'll take care of the rest.

If you forget your clothes on Saturday, June 2nd, or participate in the Town-Wide Tag Sale and have textile items that don't sell, just bring them to Old Town Hall on Sunday, June 3rd from 10:00 am - 2:00 pm.

For many years, “the Valley” was the most active village in Hebron. See and hear water roaring through its many mills, hang out at Burrows Store & P.O., attend Hope Valley or Burrows Hill Schools, check out the Methodist Churches, imagine yourself out for a walk and lost at dusk, and lots more. Join us, sit back, listen, and visualize old Hope Vale.

John Collins, who lives in Hope Valley, will be our presenter for the evening. Collins holds a PhD in Soil Science. He has worked as an environmental consultant for 25 years, working for the EPA, the Department of Energy and more clients.

PLANT SALE - Old Town Hall - June 2nd

SPRING is here, or did we miss it? That means you can work in your gardens. **As you dig up your over-abundance of perennials, please pot, mark, and save them** for our **Plant Sale on June 2nd**.

Need pots? Just call Shelley at 309-712-1122, and she will provide!!

A perfect plan is to donate your culls, and then come to the sale to discover plants you've always wanted in your garden. That's a “win-win” for both you and the Historical Society!!
