### Do you have your ticket to the "Calico Ball"?

The price was right and the Calico Ball was probably Gilead's event of the season in 1907. It was just one way the Gilead folks enjoyed the Gilead Community Hall they had just built.

Mary Ann Foote, whose relatives date back to the beginning of the town, will present the "History of Gilead" at the Hebron Historical Society meeting on Sept. 26th, 7:00, at Old Town Hall.
